

Crisis is organic, rather than resolved, Kool is a temporary adaptive layer

In Hirose theory, a cut part doesn't heal back to its original form, it branches sideways. Woods calls this phenomenon a "Scar" not restoration, not closure, but a latent improvised growth existing like to continue with historical layers "baggage"

← (2. SCAR - 1)

- Shared logic between Woods & deluge + creation
- Growth begins at rupture
- New spatial directions emerge
- Old & new coexist without hierarchy
- Fixed meanings dissolves
- Space reorganizes differently
